SUNDAY AT 6: BURLINGTON SOUND-OFF FOR LIBERTY AND JUSTICE

Sunday May 3 at 6 PM, for 60 seconds, let's turn up the volume citywide in support of liberty and justice and against the Trump regime's scapegoating and oppression.

Silence won't beat tyrants, so join neighbors outdoors on your block or campus Sunday at 6: **together we'll bang on pots or blow on whistles – a 60-second sound-off**, the length of three rounds of *This Land Is Your Land*.

Sunday at 6, let the message ring out from neighbor to neighbor and neighborhood to neighborhood that **our country is supposed to be a democracy with liberty and justice for all – not a dictatorship!**

*This land is your land 'n this land is my land
From California to the New York Island
From the Redwood Forest to Gulf Stream Waters
This land was made for you and me*

—Woody Guthrie
