SUNDAY AT 6: SOUND OFF FOR LIBERTY AND JUSTICE

Sunday March 15 at 6 PM local time, for 60 seconds, let's turn up the volume to declare our support for fundamental American values and to denounce the Trump administration's **dictatorial actions, vicious scapegoating, and deadly injustices.**

Silence won't beat tyrants, so throw open a window or go outside on your block or campus and **turn up the volume Sunday at 6**. Together with neighbors we'll raise an emergency alert for our country.

We'll bang on pots or blow on whistles or honk horns — for one minute. The time it takes to hum the chorus to “This Land Is Your Land” four times.

For one minute Sunday at 6, let the sound ring out that America is supposed to be a democracy with liberty and justice for all, not a dictatorship!

Check out the website for simple ways to ensure that you aren't the only one in your neighborhood sounding off for liberty and justice.
