

SUNDAY AT 6: BURLINGTON SOUND-OFF FOR LIBERTY AND JUSTICE

Sunday May 3 at 6 PM, for 60 seconds, let's turn up the volume citywide in support of liberty and justice and against the Trump regime's scapegoating and oppression.

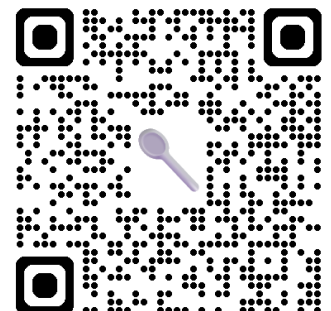

Silence won't beat tyrants, so join neighbors outdoors on your block or campus Sunday at 6: **together we'll bang on pots or blow on whistles – a 60-second sound-off**, the length of three rounds of *This Land Is Your Land*.

Sunday at 6, let the message ring out from neighbor to neighbor and neighborhood to neighborhood that **our country is supposed to be a democracy with liberty and justice for all – not a dictatorship!**

Why just 60 seconds? Sometimes less is more. Our 60-second citywide symphony will resonate far more than MAGA banners displayed 24/7.

Why bang on pots? This is done in protests around the world; in many countries the percussive protest is called a “cacerolazo” (Spanish for “saucepan”). Please visit and share the link!
